Cinco de mayo class ¡Olé!

This fabulous evening started off with fruit-filled sangria, which Vicki Primrose had started the evening before so that the flavors could mingle, and a delightful Guacamole (created by mashing the avocado with our mini masher) served with our Harvest Tortilla Chips. Then she showed us how to make a delicious Budin de Plantano y Pina desert which was layered in a trifle dish (our trifle dish is actually our domed cake stand and punch bowl serving as the trifle bowl). Nice twist to a banana, pineapple and pound cake dessert! While the dessert was resting, we made a wonderful Pastel de Montezuma casserole, layering tortillas, chicken (that she cubed using our Wüsthof knife), sauce and cheese in an Emile Henry non-stick casserole (which we also carry).

Vicki showed us great techniques and tips, such as how to remove the pit from the avocado. Thank you Vicki! ¡Tuvimos comida fantistica!
